

Assessment Psychologist (Hybrid)

Description

Pillars of Wellness is a multi-location mental health organization dedicated to providing compassionate, evidence-based care across Northwest Indiana and beyond. We are committed to innovation, collaboration, and excellence in clinical practice. As part of our growing team, you will have the opportunity to provide high-quality psychological assessment services supported by an experienced and collegial environment.

Responsibilities

- Conduct comprehensive psychological assessments, including clinical interviews, test administration, scoring, interpretation, and integrated report writing.
- Provide **diagnostic clarification** for clients presenting with complex clinical concerns.
- Complete **disability evaluations**, including documentation for functional limitations and treatment recommendations.
- Conduct **pre-surgical evaluations** (e.g., bariatric, pain management, or other medical procedures requiring clearance).
- Perform **court-ordered psychological evaluations** as assigned.
- Collaborate with referral sources, medical providers, attorneys, and treatment teams to ensure clarity and accuracy in reporting.
- Maintain thorough, timely, and compliant documentation in the electronic health record (EHR).
- Adhere to ethical guidelines and professional standards, including those set by the APA, state licensure boards, and relevant agencies.

Qualifications

- Doctoral degree (PhD/PsyD) in Clinical or Counseling Psychology
- Current license as a psychologist in the state of Indiana.
- **HSPP endorsement**
- Experience conducting psychological assessments with adults, adolescents, and/or children.
- Strong skills in test administration, scoring, and integrated report writing.
- Ability to balance hybrid work (in-person and remote) with client and organizational needs.
